*Office Memorandum* • UNITED STATES GOVERNMENT

TO : Messrs. A. Smith, Bundy, Jackson, Van Slyck

DATE: 12 Jan 59

FROM : Bob Komer

SUBJECT: War Objectives

To me, it is rather unproductive to put up such bald issues to the NSC without any accompanying analysis of pros and cons to focus discussion. However, would be grateful for any thoughts on items 1-6 you might have for use in briefing DCI. Could I have them, if any, by 20 January.
